IMPORTANT NOTES FOR ALL BIDDERS

We would expect that the wise buyer will submit numerous bids, all at levels commensurate with his idea of the value of each lot. On items that he really wants badly, the serious bidder will bid well above the top estimate, recognizing that his bid will be reduced to 10% above the second highest bid, but also realizing that he may be in competition with other seriously interested bidders.

In those sections which show a price range for an estimate, the low figure represents a wholesale evaluation, while the high figure indicates what a serious specialist would gladly pay for the lot. Bids less than the lower of the two figures will most likely be unsuccessful; bids above the higher figure will most likely be successful and will most likely be reduced as outlined above (see also paragraph 2 of TERMS OF SALE).

In those sections where only one estimate is given, in some instances with a plus mark, these estimates represent what we believe to be a fair wholesale price and/or the reserve. In many cases these single estimates represent our own cost value. In nearly all cases, bids below these estimates will not be accepted. Generally speaking, our estimates should serve as useful guides, but all bidders should use their own knowledge and experience as the final tools to determine their bids.

We make the following suggestions to all bidders:

(1) Bid what you wish on each item, but keep the estimate and reserve prices in mind lest you waste your opportunity to acquire an item you particularly desire.

(2) Bid the maximum bid you would pay for the lot, recognizing that if your bid is high, relative to other bids, your bid will be reduced in accordance with paragraph 2 of TERMS OF SALE.

At the conclusion of the listing of all lots we have observed that many of our estimates in the paper money section as well as the gold section, may be considered low and are expected to realize prices at above our estimates. We make this observation based on the increased interest in paper money and the ever-increasing interest in gold. So also, all rare numismatic items are finally being recognized as such and are finding their ranks in value.

Requests for additional information, confirmation of the grade, date, mint mark, etc., of any particular items, or any similar individual questions are welcome and will be answered as promptly as possible.

An asterisk (*) before the lot number indicates that the actual lot offered for sale is photographed and can be found in the PLATE SECTION.

TERMS OF SALE

1. This is a mail bid sale. All mail bids must be received at our place of business not later than 10:00 p.m. Central Daylight Time, December 5, 1977. The highest mail bid for each lot will buy it. The highest mail bid on each lot may be reduced to just above the second highest mail bid (see item 2). On this basis it should be obvious that mail bidders should bid generously, if they are desirous of obtaining any particular lot or lots.

2. Terms of reduction: (a) No reduction will apply to bids of $10.00 or less. (b) On bids of $10.01 and up, the highest bid will be reduced to 10% over the second highest bid. For example, if your bid on Lot #100 is $70.00 and the second highest bid is $50.00, you will obtain the lot for $55.00 (or $50.00 + 10%). However, if your bid is $70.00 and the second highest bid is $65.00 then no reduction will apply as 10% over the second highest bid will be $71.50. When reductions apply, amounts will be rounded off to the nearest half dollar.

3. An estimate is given for most lots. These estimates simply represent the owner's idea of the value of the item or our professional opinion as to what each lot is worth. THEY ARE ONLY ESTIMATES AND YOU CAN BID HIGHER OR LOWER AT YOUR DISCRETION. To further clarify this, please read the "Notes to Bidders". We recommend that if you seriously want a lot, you should bid close to or over the estimate given herein.

4. All bids are to be made by LOT NUMBER as listed in this catalog. (Please make sure that your bids are legible.) Bids should be made only in United States Funds. In case of tie bids, preference will be given to the bid with the earliest postmark.

5. Lots will be sent on open account only to customers who have established credit with us. New accounts must furnish satisfactory credit references and/or include a 20% deposit. New accounts requesting shipment to a post office box or to general delivery must also furnish their home or business address. Bidders who have not established credit with us will be invoiced for their successful bids; lots will be sent upon receipt of payment.

6. All successful bids must be honored in U. S. funds immediately upon receipt of the lots or the invoice. This is absolutely necessary so that consignors can be reimbursed. Special arrangements for payment are possible if the amount involved warrants such treatment. If this is necessary, please request it BEFORE the auction, not after.

7. BankAmericard, Mastercharge, or American Express may be used to pay for successful bids provided the purchaser agrees to pay the service charge billed to us by our bank on such transactions (3% on BankAmericard, 4% on Mastercharge. and 5% on American Express. Foreign bidders should make payment by International Bank or Postal Money Orders or drafts payable in New York. Bidders making payment by bank drafts drawn on a foreign bank, please add U.S.$3.00 as this is the minimum bank service charge charged to our account.

8. Postage and insurance or registration fees will be added to all invoices. Foreign bidders will be charged 1% of the total value to partially cover insurance fees, and our insurer will be responsible for any losses. Foreign bidders should advise if special shipping instructions are necessary.

9. 5% sales tax will be added to all lots mailed to Texas addresses, except dealers.

10. Auction sales ARE NOT approval sales. Upon submitting bids you agree to abide by the "Terms of Sale". Experts have described all lots; any errors made by them will be gladly corrected. Likewise, you are responsible for any errors you make. Returns can only be made with our written approval; request for such must be made within ten (10) days of dispatch of lots by us.

11. Title to all lots will remain with the cataloguer until payment in full is received. All items are guaranteed to be authentic (unless otherwise indicated) and to be as listed. Furthermore, the cataloguer reserves the right to accept or reject any or all bids at his discretion.

12. All lots in this auction will be available for inspection by appointment only prior to December 1, 1977.

TERMINOS DE VENTA

1. Este es un remate por correo. Todas las apuestas (o pujas) tendrán que ser recibidas en nuestro lugar de negocio no después de las 10:00 p.m. hora de San Antonio, Texas, del día 5 de diciembre de 1977. La apuesta más alta para cada lote es la que comprará dicho lote. La apuesta más alta podrá ser reducida hasta el punto de ser un poco más que la segunda apuesta más alta (ver artículo 2). Sobre estas bases, es obvio que los compradores deberán hacer apuestas generosas, si están deseosos de obtener cualquiera de los lotes en particular.

2. Términos de reducción: (a) No se aplicará ninguna reducción en apuestas de $10.00 ó menos. (b) Sobre las apuestas de $10.01 en adelante, la más alta será reducida hasta el 10% sobre la segunda apuesta más alta. Por ejemplo, si su apuesta en el lote #100 es de $70.00 y la segunda más alta es de $50.00, usted obtendrá el lote por $55.00 (o sea $50.00 + 10%). Sin embargo, si su apuesta es de $70.00 y la segunda más alta es de $65.00, entonces ninguna reducción será aplicada, ya que si añadimos el 10% a la segunda apuesta más alta, el lote llegaría a costar $71.50. Cuando las reducciones sean aplicables, la cantidad será redondeada al próximo medio dólar.

3. Se ha estimado un precio para la mayoría de los lotes. Estos precios estimados simplemente representan la idea que el dueño tiene sobre el valor del artículo, ó nuestra opinión profesional de valor del lote. ACLARAMOS QUE SON SOLAMENTE PRECIOS ESTIMADOS Y QUE USTED PUEDE APOSTAR MAS ALTO O MAS BAJO SEGUN SU PROPIO CRITERIO. Para aclarar este punto, por favor lea los precedentes artículos. Recomendamos que si usted está seriamente interesado en un lote, lo mejor será que apueste cerca ó más del precio estimado en este catálogo.

4. Todas las apuestas indicarán el número del lote como aparecen en este catálogo. (Por favor, cerciórese que sus apuestas sean legibles.) Apuestas serán hechas sólo en dólares Estado Unidenses. En caso de empate en una apuesta, preferencia se le dará a la apuesta que es recibida primero.

5. Los lotes serán enviados a crédito solamente a clientes que tienen crédito establecido con nosotros. Nuevas cuentas tendrán que proveer referencias de crédito satisfactorias y preferible 20% de depósito. Cuentas nuevas que soliciten los envíos a Casillas Postales, deberán proveer también sus direcciones domiciliarias o de su negocio. A los compradores que no han establecido crédito con nosotros se les enviará la factura correspondiente por lotes que han ganado y se les enviará la mercadería al recibir el pago.

6. Todas las apuestas ganadoras tendrán que ser pagadas por medio de giro o cheque pagable en los Estados Unidos o en efectivo inmediatamente al recibir los lotes o factura. Acuerdos especiales para hacer pagos son posibles si la cantidad apostada merece tal trato. Si esto es necesario, por favor, pídalo ANTES de que se cierre la subasta, no después.

7. Tarjetas de crédito; BankAmericard, Mastercharge o American Express, se pueden usar para hacer pagos, pero el apostador tiene que pagar el servicio de cargos facturados a nosotros por esas compañías en tales transacciones (3% en BankAmericard, 4% en MasterCharge y 5% en American Express). Nuestros clientes fuera de los Estados Unidos además pueden pagar por giros internacionales de bancos ú otra forma previa y mutuamente acordada antes de cerrar la subasta.

8. Cargos de seguro o certificación de los envíos se le agregarán a todas las facturas. Apostadores deben de indicarnos si existen instrucciones especiales de despacho. Apostadores fuera de los Estados Unidos pagarán el cargo de 1% del valor total para cubrir parcialmente los gastos de seguro y nuestra compañía de seguros sea responsable por cualquier perdida.

9. No es aplicable a nuestros clientes en el extranjero.

10. Las ventas en los remates no son ventas aprobadas por el cliente cuando él recibe la mercadería, sino que cuando el cliente somete su apuesta, él entra en un acuerdo para comprar la mercadería. Cuando el cliente apuesta, él indica que está de acuerdo con los términos de venta de este remate. Todos los lotes han sido descritos por expertos en la materia; si algún error ha sido cometido por ellos, nosotros estaremos complacidos en corregirlo. En igual forma, usted se hace responsable de cualquier error cometido por su

VERKAUFS-BEDINGUNGEN

1. Dies ist ein Versandt - Angebot - Verkauf. Alle Versandtangebote dürfen nicht später als 22.00 Uhr Ortszeit am 5. Dezember 1977 hier in unserem Büro eintreffen. Das höchste Angebot für den jeweilige Posten erhält es. Das höchste Angebot für den jeweiligen Posten kann herabgesetzt werden, so daß es gerade über dem 2. höchsten Angebot liegt (siehe 2. Absatz). Es dürfte einleuchtend sein, daß auf diese Weise der Bietende ein großzügiges Gebot macht, wenn er den (die) gewünschten Posten bekommen möchte.

2. Bedingungen zum Preisnachlaß: (a) Kein Preisnachlaß für Gebote von $10.00 oder weniger. (b) An Geboten $10.01 & höher, das Höchstgebot wird auf einen Preis,der 10% über dem 2. höchsten Angebot liegt herabgesetzt; z.B. wenn Sie für Posten #100 $70.00 bieten & das 2. höchste Angebot $50.00 ist, so werden Sie den Posten für $55.00 (oder $50.00 + 10%) erhalten. Jedoch, wenn Sie $70.00 bieten & das 2. Angebot $65.00 beträgt wird kein Nachlaß gewährt, da 10% über dem 2. Angebot $71.50 ist. Wenn Nachlaß gewährt wird, so wird der Betrag zum nächsten halben Dollar aufgerundet.

3. Ein Voranschlag ist für die meisten Posten gegeben. Diese Voranschläge bezeichnen einfach den vom Eigentümer eingeschätzten Wert, oder unsere berufsmäßige Ansicht über den Wert des jeweiligen Postens. Dies sind nur Vorschläge & Sie können höher oder niedriger bieten, ganz nach Ihrem Belieben. Um es besser zu (er)klären, lesen Sie bitte "Anmerkungen für Gebote". Wir empfehlen, wenn Sie den Posten wirklich möchten, sollten Sie dicht an den Voranschlag oder darüber bieten.

4. Alle Gebote sollen nach den Posten - nummern, wie im Katalog verzeichnet, gemacht werden. (Bitte vergewissern Sie sich, daß Ihre Gebote leserlich sind.) Gebote sollten nur in U.S. Währung gemacht werden. Im Falle eines gleichen Angebotes bestimmt der Poststempel.

5. Posten werden mit einer offenstehenden Rechnung an Kunden, die einen guten Kredit mit uns haben versandt. Neue Kunden müssen ausreichende Kreditempfehlungen haben oder und einschließlich 20% Anzahlung machen. Neue Kunden, die Versandt an eine Schließfachadresse wünschen müssen auch Ihre Heimat- oder Büroadresse angeben. Kunden, die noch keinen Kredit bei uns eingerichted haben, bekommen eine Warenrechnung für Ihre erfolgreichen Gebote zugesandt. Die Posten werden nach Erhalt der Zahlung versandt.

6. Alle erfolgreichen Gebote müssen sofort nach Erhalt in U.S. Währung beglichen werden. Dies ist sehr wichtig, so daß Konsignatoren ausgezahlt werden können. Spezielle Vereinbarungen zur Zahlung sind möglich, wenn der Betrag eine solche Behandlung rechtfertigt. Wenn das notwendig ist, bitte ersuchen Sie darum VOR der Auktion, nicht danach.

7. BankAmericard, MasterCharge oder American Express können zur Zahlung verwendet werden, vorausgesetzt der Kunde ist einverstanden die Servicekosten, die uns unsere Bank bei einem solchen Geschäft verrechnet (3% bei BankAmericard, 4% bei MasterCharge & 5% bei American Express) zu tragen. Ausländische Kunden werden gebeten Ihre Zahlungen durch eine internationale Bank, mit Zahlkarte oder Tratte zahlbar in New York zu begleichen. Kunden die mit einem an eine ausländische Bank gezogenen Wechsel zahlen, möchten bitte US.$3.00 dazurechnen, da dies die Mindestkosten sind, die uns von unserer Bank verrechnet werden.

8. Porto & Versicherung oder Anmeldegebühren werden bei allen Rechnungen dazugerechnet. Ausländischen Kunden wird 1% vom Gesamtwert verrechnet, um die Versicherunskosten teilweise zu decken und unsere Versicherung wird für etwaige Verluste haftbar sein. Ausländische Kunden sollten uns mitteilen, wenn spezielle Versandtinstruktionen von Nöten sind.

9. 5% Verkaufssteuer wird bei allen Verkäufen an Bewohner des Staates Texas verrechnet, ausgenommen Händler.

10. Auktionsverkäufe sind keine Bestätigungsverkäufe. Bei Einreichung von Geboten erklären Sie sich mit den Verkaufsbestimmungen einverstanden. Die Posten sind von Experten beschrieben, irgend welche Fehler, die Ihnen unterlaufen sind werden gerne berichtigt. Gleichfalls ist man für die Fehler, die man macht verantwortlich. Rückgaben können nur mit unserer geschriebenen Bestätigung gemacht werden; Gesuche müssen innerhalb von zehn (10) Tagen, nach versandt der Ware gemacht werden.

The "BCB" reference numbers are taken from the book "BANCO CENTRAL DO BRASIL/ICONO GRAFIA/DO MEIO CIRCULANTE DO BRASIL/GERENCIA DO MEIO CIRCULANTE/1972". They were used to catalog the "SPECIMEN" notes in this section. We just recently obtained this book for our own library and even so, the book is hard to obtain. We might be able to get one for $170.00 for an interested customer.

0646	-E70 T8 C81 8 Reales 1812FJ, Unusual piece struck in lead with plain edge. This coin was obtained by me when the famous J.T. Medina collection was purchased by the firm about 10 years ago. A number of these lead patterns were found in the collection and it appears that they were made at the different mints upon request by Medina and exclusively for him, as he was an extremely distinguished, internationally known historian of the times (he wrote in excess of 200 books). We gather that some of these patterns were made from original dies, and since they were lead patterns, the mints considered them harmless, but this practice of course has now been discontinued. The piece which we are offering is VF	100.00+

*0789	-A set of 8 Honduran Provisional Coinage 1862: 1,2,4,8 Peso PROOF, also the 1,2,4,8 Pesos regular issue, mounted handsomely in plexiglass. The four proof coins struck in England are superb choice specimens. In fact, prior to their being mounted in a frame, each piece rested in its original case. The regular issue coins struck in Tegucigalpa are uncirculated specimens, some with luster. The 1,2 & 4 Pesos have bright copper shading highlighting the design. The 8 Peso is dark with traces of luster. See our plate section for photos of this set, including a close-up of the lower right quadrant of the reverse on regular issues. Some of you may not be aware of the mintmark there. A tiny "H" is superimposed upon the fallen leaf to the right of the ceiba tree. This unique set can be the star of your collection previously offered at $2,100 and offers must exceed	1500-2000.00

THE ARTHUR PHILLIP COLLECTION OF COINS OF HAITI

HAITI AS A NATION: Not many people are aware of the historical role which this nation has played in the Americas, occupying the western one-third of Hispaniola in the Caribbean Sea. When Christopher Columbus, on his first voyage in 1492, discovered the island of Hispaniola, which he claimed for Spain, he landed at Mole-St. Nicolas first, on the upper peninsula of what is now Haiti. He found the country occupied by Indian tribes, principally the Arawak and Siboney. Since then this part of the island has undergone much change in its history, government, culture, etc. from the early buccaneers through the French Revolution unto its independence on January 1, 1804 at which time it assumed one of the Indian names, Haiti. It is in fact the oldest Negro Republic in the world and the second oldest republic in the Western Hemisphere (the U.S. is the oldest). It is has been ruled by monarchs and presidents making a very interesting setting for its coinage history.

COINS OF HAITI: Perhaps along with Honduras, the coins of Haiti are the least researched and by far some of the most interesting, challenging, and surprisingly extensive of the Americas. For example, many types can understandably be broken up into two different sub-types. Within each date there are radically different varieties, including die breaks of major importance. There are kings, and there are presidents, and each of the coins portrays its historical past, its French influence, its African influence. There is an interesting selection of patterns and there are many other interesting attributes about its coins. Although there are several serious collectors of these coins, the cataloger feels that when considering all of the facts this is still a challenging area, a practically virginal field.

ABOUT THE COLLECTOR: Arthur Phillips has been an enthusiastic collector of coins and paper money of Haiti, (the paper money is featured in the paper money section). Many of the coins that are offered come from Almanzar's, Freeman Craig Jr., Jess Peters, including the Ray Byrne collection and other well-known numismatic firms. I personally had many telephone conversations with this enthusiastic Haitian collector as he was often the first one to place an order when Haitian coins were offered through our fixed-price catalogs. He searched for different dates and he searched different varieties. Presently, Arthur Phillips resides in New York, but he owned a business in Haiti and traveled back and forth for a period of fifteen years. This relationship with that culture started him collecting, and at first with little numismatic knowledge. Although he no longer owns a business in Haiti he continues to travel there. His reason for stopping collecting Haiti, he said, "I have gone as far as I possibly can go without buying too many of the more sophisticated coins which I do not care to compete for. So I feel the challenge is gone."

We hope that this listing reveals new varieties and leaves another grain of sand in the vast sea of numismatics in the name of our very good friend, Arthur Phillips.

The following brass issues are not from the same dies. Not much is known about these pieces-at worst may have been counterfeited by advanced and very skilled counterfeiter. Possibly struck in France. In any event they should make interesting additions to collections. (Only lots 1590 thru 1593 are brass.)

*2196	-F.32 1 Escudo 1817/82?FJ, Ferdinand VII, The second 1 in date over 8 and the 7 is over 2. It was once holed and now repaired-not a very professional job. Otherwise coin is FINE-VF for wear and has the added attraction that it was struck over an earlier issue which is particularly visible in the obverse. And further, it includes an interesting overdate plus letters overimposed in the previous legend. The owners expectation is very reasonable	100.00+

2198	-F.31 2 Escudos 1817FJ, Ferdinand VII, At one time holed at 12 o'clock and now plugged not very expertly. Coin is of a rare date as indicated by most Spanish catalogs. It was on Feb.12,1817 that San Martin's army routed the Spanish at Chacabuco and finally on April 5, 1818, San Martin won (on the decisive battle at Maipu). In this period, the striking of gold coins was limited and this piece indicates it was struck over an earlier issue as there is visibility of other letters below the legend. After this lengthy write-up and historical documentation, we are only asking that the bids exceed	100.00+
